Sr. No.	Page	Clause	Requirements	Changes requested	ReBIT's response
1	8	5	The bidder of the selected candidate needs to perform background verification (BGV) process before the joining of the candidate. The background verification shall consist of the candidate's Identity, Education, Work Experience, Conduct and behaviour, Police Verification and others, if any. The Background verification report should be submitted to ReBIT prior to joining of the candidate.	Since Background check verification will be outsourced by vendor, it might take longer than 7 days	There is a 15-day window for BGV after vendor confirmation till candidate's joining. In addition, in case the bidder is unable to complete the BGV process prior to the joining of the candidate, then the bidder should submit the Background Verification report within 1 week of candidate's joining. This gives sufficient time to the vendor for BGV
2	8	5	ReBIT will provide 15 days' notice to the vendor to off-board such resource/s and vendor needs to provide replacement resource within 15 days from the date of replacement request. However, ReBIT reserves the right to acquire resources on its own or take appropriate action in this regard.	Can we look at Replacement clause of 30 days from a practical standpoint?	No change
3	10	7.3	EMD/PBG	Being an MSMED, can EMD/PBG be waived off for us?	Please refer to the statement on MSE under Clause 7.3
4	17	10	Payment Terms and Milestones	Can we agree to Payment terms of 30 days?	No change
5	20	13	Sub-Contracting	Background checks are usually outsourced as it is not our speciality	This has been clarified in Clause 13, this may be done with prior approval and written consent from ReBIT
