Pharming

Latest incidents and technological control

Secure the human ie cyber hygiene awareness, cyber security and governance, cyber security frameworks

INCIDENT HANDLING

Intel sharing Cyber resilience check

### 6. Any additional comments (4 responses)

Good to start this initiative and keeping it open for public, however greater visibility is required to be able to reach out to the community at large.

We should also look at DKIM along with DMARC

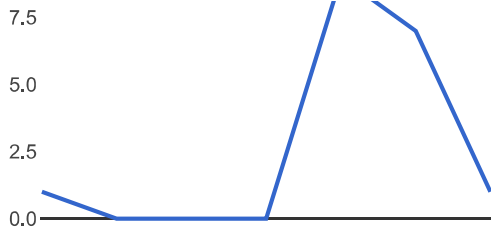

Great initiative

GOOD INITIATIVE. WAITING FOR THE WEBINAR

### Number of daily responses

10.0
